CALL TO ORDER:
The regular meeting of the Board of Trustees of Community College District No. 512 was called to order by Chair Kolze on Wednesday, December 20, 2000 at 7:00 p.m. in the Student and Administration Center (Room A-242), 1200 W. Algonquin Road, Palatine, Illinois.

ROLL CALL:
Present: Members Barton, Botterman (7:02 p.m. arrival), Gillette, Howard, Kolze and Shure; Student Member Fisher
Absent: Member Hess

Also present: Robert Breuder, President; Ed Dolan, V.P. Institutional Advancement; Bonnie Henry, V.P. Human Resources and Internal Affairs; Tom Choice, V.P. Academic Affairs; David McShane, V.P. Information Technology; Judy Thorson, V.P. Administrative Services; Linda Kolbusz, Special Assistant to the President; Mary Azawi; Mike Barzacchini; Patrick Beach; Larry Bielawa; Carol Blotteaux; Catherine Brod; Dave Dluger; Bob Fabbrini; Julie Fleenor; Robert Getz; Julie Hennig; Thea Keshavarzi; Cheryl Kisunzu; Russ Mills; Sheila Quirk; Fred Skorude and Karina Srugys.

CITIZEN PARTICIPATION
Faculty Senate President Julie Fleenor addressed the Board to pay tribute to Marilyn Perry, a faculty member who died recently. Ms. Perry was a graduate of William Rainey Harper College and Coordinator of Women's History Week. Dr. Fleenor listed many of her academic and personal achievements, which included receiving the James J. McGrath Humanities Endowment Scholarship, among others. She received a B.A. and M.A. in History from Roosevelt University, and was the author of five children's books that were later published. Dr. Fleenor added that Marilyn's death leaves many with feelings of sadness. Those who knew her benefited from her energy, wit and intellectual vigor.
Chair Kolze thanked Dr. Fleenor for the tribute. Member Howard noted that she had the privilege of working very closely with Marilyn on the Women's History Month program. She made a tremendous contribution to the College. Member Howard added that much of the success of Women's History Month in the last three years was due to Marilyn's work.

Harper faculty member Patrick Beach read a memo written to the Harper College Board of Trustees from the faculty members of the Insurance Committee which expressed their support for the leadership of the Faculty Senate. Mr. Beach thanked the entire Faculty Senate for listening to the proposal presented by the Insurance Committee faculty members.

He listed the following recent changes in the procedures of the Insurance Committee:

1. The Committee votes on issues because it is a contract committee.
2. The Committee avoids discussion or negotiation of items not directly relating to insurance benefits.
3. The Committee avoids discussion or negotiation of the pending insurance arbitration.

Mr. Beach explained that the faculty members of the Insurance Committee have repeatedly asked for financial reports to help them carry out their responsibilities with regard to the insurance arbitration. The request has been denied. This violates the faculty contract.

Mr. Beach noted that faculty members enjoy working with the administrators on this important committee. He added that the faculty are unified in their quest for the best in insurance benefits for all Harper employees.

Chair Kolze thanked Mr. Beach.

STUDENT TRUSTEE REPORT

Student Member Fisher noted that the final deadline for Spring 2001 registration is January 13, with classes beginning January 16. New semester activities kick-off January 17 with a concert in the Student and Administration Center and an ice cream social and ping pong tournament January 18.

Chair Kolze thanked Student Member Fisher for her
Chair Kolze noted that a handout entitled "Changes to Board Exhibits" was distributed to Board members. Changes include the addition of Exhibit VII-F Intent to Sell Alternate Revenue Bonds and Exhibit VII-G Reimbursement Resolution under New Business.

Chair Kolze noted that there would be an executive session for the purpose of discussing appointment, employment and dismissal of personnel, collective bargaining, possible pending litigation and the purchase of real estate for the benefit of the College. He added that the Board would be taking action following the executive session.

Chair Kolze mentioned that Board members received the list of assignments for committee liaisons. The assignments will be approved later in the meeting. A hearing date will be set for January 10, 2001. Vice President Judy Thorson explained that the hearing is a step in the bond sale process, with the actual sale taking place in the future-possibly February. Chair Kolze also noted that the Board retreat date of March 17, 2001 will be voted on. Both Wayne Newton and Gary Davis are available to facilitate on that date.

Member Howard moved, Member Barton seconded, that the agenda be approved as modified.

Upon roll call, the vote was as follows:

Ayes: Members Barton, Botterman, Gillette, Howard, Kolze and Shure

Nays: None

Motion carried. Student Member Fisher voted aye.

Chair Kolze asked that Exhibit VI-3a be removed from the Consent Agenda due to the amount ($2,030,127) of the bid award. He explained that the Board had decided in the past that items greater than $500,000 would not be included in the Consent Agenda.

Member Gillette noted that he would like to discuss several items; however, he did not wish to
remove them from the Consent Agenda.

Member Barton moved, Member Howard seconded, approval of the minutes for the November 21, 2000 regular Board meeting and executive session, December 1, 2000 regular board meeting and executive session; bills payable; payroll for November 17 and December 1, 2000; estimated payrolls for December 2, 2000 through January 26, 2001; bid awards (excluding Exhibit VI-3a); purchase orders; personnel action sheets; financial statements, committee and liaison reports and grants and gifts status report, as outlined in Exhibits VI-1 through VI-8 (attached to the minutes in the Board of Trustees' Official Book of Minutes).

With regard to Exhibit VI-3b, Member Gillette questioned why only three bids came in from two companies at a time when auto sales are down and plants are closing. Member Howard noted that 12 bids were solicited. Thea Keshavarzi stated that companies were given the standard 21 days to bid. Dr. Breuder asked if Member Gillette had read the response that was e-mailed to him prior to the meeting. Member Gillette stated he had not. Upon reading the response, Member Gillette stated that since the administration had the state contract research for price comparisons, he was satisfied.

Regarding Exhibit VI-4a, Member Gillette questioned the need for periodicals on microfiche when access is available via the
Web. He explained that Harper College already pays for Chicago Tribune access via the Web. It is indexed and has hypertext, making it much easier to read than microfiche where one film has to be put back and another has to be retrieved. Member Gillette noted that he did not want this item removed from the Consent Agenda; however, he asked that someone look into alternate ways to provide this data before renewing next year. Member Barton suggested that perhaps the administration has already done that. Tom Choice spoke about usage statistics and convenience for the students. He added that he will look into some answers for Member Gillette.

Member Botterman asked about the subscription rate for using Newsbank. He added that if the College was paying $9,000, for example, he would like this item removed from the Consent Agenda. It does not make sense for the College to be paying that type of money and additionally purchase something of which they use possibly one-third. Dr. Choice did not have the rate information available. There was discussion regarding how far back Bell & Howell indexes as opposed to Newsbank. Member Gillette noted that Newsbank is indexed daily; Bell & Howell would be indexed when a microfiche was filled.

Chair Kolze suggested moving ahead with the agenda if Member Gillette is satisfied that the administration will look into this for next year. Member Gillette agreed. Dr. Breuder stated that he would not release this for action until he is satisfied that Member Gillette's concerns have been adequately addressed.

With regard to Exhibits VI-4b and VI-4c, Member Gillette suggested that, for next year, they include information about what advertising and marketing agencies the College reviewed and when. The Board packet simply shows five people were reviewed and one was chosen. Again, Member Gillette stated he did not want these items removed from the Consent Agenda; however, he did want someone to provide the information next year.

In response to Member Shure, Larry Bielawa
explained that all of the agencies work the same way when advertising in newspapers. For example, the College pays for the ad directly to the Chicago Tribune; the agency gets their pay from the newspapers. He added that the agencies offer the same basic type of service. The agency chosen by the College has worked with Harper for several years. They provided assistance when paying bills in the past to the Chicago Tribune. The agency would help float if the item missed a Board meeting and had to be delayed another month. Mr. Bielawa added that the individual at the agency who works with the College understands Harper and helps write the ads and search the ads. The College is very satisfied with the service this agency is providing.

Upon roll call on the Consent Agenda, the vote was as follows:

**Ayes:** Members Barton, Botterman, Gillette, Howard, Kolze and Shure

**Nays:** None

Motion carried. Student Member Fisher voted aye.
With regard to Exhibit VI-3a, Chair Kolze noted that there may not be any particular questions; however, he felt it should be separated from the Consent Agenda because the amount was greater than $500,000.

Member Howard moved, Student Member Fisher seconded, that the following bid award be approved.

Ex. VI-3a Award bid Q00109 for the renovation of the entire first floor and sections of the second floor of the Northeast Center to John Edwards Construction Co., the low bidder, in the amount of $1,645,900, and the Architect's Fee of 7 percent in the amount of $115,213, Reimbursables of $79,546, Design/Building Allowance for Stanley Consultants of $13,830, plus a Contingency of $175,638 for a total award of $2,030,127.

In response to Member Gillette, Robert Getz explained that this is the only building off campus that does not have air conditioning backup if something were to go wrong. An alternate was listed if there was enough money allowed for redundancy. Almost every building on campus has a backup. Mr. Getz added that the bid came in $100,000 under estimate, which allowed the College to have this alternate. In response to Member Gillette, Mr. Getz explained that they did a complete renovation for the second floor with new air conditioning and the boiler. They are now renovating the first floor, which will include the HVAC work.

Upon roll call on the Consent Agenda, the vote was as follows:

Ayes: Members Barton, Botterman, Gillette, Howard, Kolze and Shure

Nays: None

Motion carried. Student Member Fisher voted aye.

Chair Kolze suggested that, in the future, Board members review the Board packet and call with their questions in advance so the staff can work on their responses. This
would save a lot of Board time for other issues.

NEW BUSINESS:
Public Hearing for Funding Bond Sale

Vice President Judy Thorson explained that this is the public hearing for the limited tax bonds. She reminded everyone that the College is on a schedule where it is selling these limited tax bonds every two years. The proceeds have been used to fund various things over the years (i.e., the technology plan, parking lots, the second floor of the Northeast Center). The money is available to the College under a provision of the tax cap. The law allows the College to forever keep $2.1M of debt on its books without a referendum. The debt is being recycled; the College pays it off within three or four years. In response to Chair Kolze, Vice President Thorson stated that the tax rate does not fluctuate.

Chair Kolze recessed the regular meeting and called to order the public hearing for funding bond sale at 7:32 p.m.

Chair Kolze asked if there was anyone present who would like to comment on the funding bond sale. Hearing none, he declared the hearing closed and returned to the regular meeting at 7:33 p.m.
Member Barton moved, Member Gillette seconded, approval of the resolution to issue limited tax bonds, as outlined in Exhibit VII-B (attached to the minutes in the Board of Trustees' Official Book of Minutes).

In response to Member Gillette, Vice President Thorson explained that the official sale date had not been set. She is looking at February 12 or 13. Member Gillette noted that it should be some time after the next Federal meeting.

Member Shure stated that the resolution mentioned Bank One in the trust agreement dated January 26, 2000. He wanted to make it clear that the President's wife was not working for Bank One at that time. Vice President Thorson explained that this is not an issue. Bank One is the College bank and through them, a trust agreement had to be set up to fund the Capital Development Board (CDB) project. These funds will be going into that trust agreement. Member Shure stated he would like to have legal opinion about this and about future contracts with Bank One. He does not want even the appearance of conflict of interest. Vice President Thorson agreed to have legal counsel look into this.

Upon roll call, the vote was as follows:

Ayes: Members Barton, Botterman, Gillette, Howard, Kolze and Shure

Nays: None

Motion carried. Student Member Fisher voted aye.
Chair Kolze noted that these affiliation agreements have been reviewed by legal counsel. The Board agreed to vote on all of them at once.

Member Howard moved, Member Botterman seconded, your Liking approval of the following Affiliation Agreements: between William Rainey Harper College and Bedingfield/Rosewell Pediatric Practice for use of clinical facilities for students in the Medical Office Assistant Program; between William Rainey Harper College and Greater Northwest Medical for use of clinical facilities for students in the Medical Office Assistant Program; and between William Rainey Harper College and Typing to Your Liking for use of clinical facilities for students in the Medical Office Administration (Transcriptionist) Program, as outlined in Exhibits VII-C, VII-D and VII-E (attached to the minutes in the Board of Trustees' Official Book of Minutes).

With regard to Exhibit VII-D, affiliation agreement with Greater Northwest Medical, Member Gillette noticed items related to providing space were struck out of the agreement. He asked that the administration make sure the instructors can live with the agreement. He does not want the lack of space to hurt the class. Dr. Breuder said they would look into it.

Upon roll call, the vote was as follows:

Ayes: Members Barton, Botterman, Gillette, Howard, Kolze and Shure

Nays: None

Motion carried. Student Member Fisher voted aye.

Chair Kolze noted that Exhibits VII-F and VII-G will be discussed in the executive session; action would take place following the executive session.

Dr. Breuder explained that Board members received a memo prepared by Linda Kolbusz regarding the Trustee Emeritus Status. Information was gathered and reviewed by legal counsel. He asked that Board members read the memo dated December 20 and communicate any further comments to him so that they can move forward.
Dr. Breuder noted that Board members received the current generation of the Fact Book. The first version was completed last year; this is the second publication. The Fact Book is intended to hold all critical data relating to the affairs of Harper College. There is now one place to go for information when it is requested. Board members have received the Strategic Long Range Plan, the Annual Plan, and now the Fact Book for their resources.

Member Howard moved, Member Barton seconded, adoption of the resolution of Intent to Sell Alternate Revenue Bonds in the amount of $5 million, if it purchases the building for the TECH program, as outlined in Exhibit VII-F (attached to the minutes in the Board of Trustees' Official Book of Minutes). It was noted that the law requires the Board to pass this resolution establishing intent prior to the sale.

Member Barton moved, Student Member Fisher

noted that the College intends to sell alternate
revenue bonds to purchase a building for the TECH
program. This resolution allows the College to
reimburse itself with these bond proceeds for
expenses related to the purchase of the building
prior to the closing of the bond.

Member Howard clarified that the College is being
reimbursed only for money advanced by the College
prior to the sale of the bond.

Recommendation for the award of bid request Q00121 for the purchase and installation of an elevator for the Science, Math and Health Careers Center as requested by Physical Plant.

II. BUDGET STATUS
Funds in the amount of $166,639 are provided in the 2000/01 Operations and Maintenance Restricted Fund budget, under account numbers 0392-039-533.00-9028 and 0392-039-584.00-9028.

III. INFORMATION

This request is only for the purchase and installation of the elevator. The elevator shaft work will be bid, and the award recommendation will be brought to the Board of Trustees at the April 26, 2001 Board Meeting. The Elevator Shaft Construction is estimated to cost $221,324 and will be funded by approved Life Safety money.

The Science, Math and Health Careers Center has four levels that are separated from each other. For handicapped students to get to the different levels, the students use incline handicapped lifts. The lifts function poorly and are in constant need of repair. Some parts
cannot be found, and one manufacturer has gone out of business. On numerous occasions the lifts have locked up, trapping students on the lifts and requiring Harper maintenance staff to rescue them.

The new full service ADA accessible elevator will be placed in the area with the highest handicap traffic. Two incline handicapped lifts shall be demolished to make room for the elevator shaft.

This is an approved Life Safety Project.

Included in this recommendation is the 7% engineering fee of $9,520, reimbursables of $7,520 for the elevator consultant, and a 10% contingency of $13,600.

IV. RECOMMENDATION

The administration recommends that the Board award Q00121 for the purchase and installation of an elevator for the Science, Math and Health Careers Center to Master Elevator Company, the low bidder, in the amount of $135,999, and for approval of the engineering fee of $9,520, reimbursables of $7,520, and a 10% contingency of $13,600 for a total award of $166,639.

BOARD ACTION

I. SUBJECT

Recommendation for the issuance of a purchase order to Element K Press for Microsoft Office and Microsoft Windows software training manuals for Business and Professional Development classes, as requested by the Business and Social Science Division.

II. BUDGET STATUS

Funds in the amount of $15,000 are provided in the 2000/01 Auxiliary Enterprises Fund budget, under account number 0541-105-541.02.

III. INFORMATION

The manuals are for Microsoft Office and Microsoft Windows classes within the Business and Professional Development area.

Manuals published by Catapult were used previously and there had been a lot of problems, such as manuals containing wrong indexes. After the company was taken over by IBM, problems with ordering were also occurring. Therefore, it was decided that a change to another vendor needed to be made.

Five publishers' manuals were reviewed and evaluated by Business and Professional Development faculty and staff, as well as HELP Desk and Corporate Services staff. The publishers are Catapult, CCI Learning, Computer Prep, Course Technology and Element K Press. The manuals published by Element K Press were selected based on content, clear presentation of material, flow of the material, best exercises, number of exercises and price. Element K Press is the sole supplier of its manuals.

This purchase complies with State Statute and Board policy.
IV. RECOMMENDATION

The administration recommends that the Board approve issuance of a purchase order to Element K Press, for Microsoft Office and Microsoft Windows software training manuals for Business and Professional Development classes, in an amount not to exceed $15,000.

I. SUBJECT

Student Service Awards – Fall 2000.

II. REASON FOR CONSIDERATION

As per Board Policy 3.12, student service awards are presented to students for outstanding contributions in the area of student activities. The authority for giving student service awards requires approval by the Board of Trustees.

III. BACKGROUND INFORMATION

The monetary awards are payments given for students' work for the College through student activities. Harper uses this method of compensation for recommended student leaders in lieu of guaranteeing academic credit, salaries, automatic tuition grants, or other means of payment for particular student positions. This means that students must perform well in their positions in order to be eligible for consideration for these awards. The award is recommended based on performance, position, leadership, and length of service, and participation in eXcel, Harper’s student leadership training programs. In order to encourage student leaders to complete their classes as well, the amounts of their student service awards are based on credit hours successfully completed. Each student must also meet standards established for satisfactory academic progress. Expenses for student service awards are budgeted in and shared between Student Activities and the Education Fund; $4,995.00 will be paid by Student Activities (Student Service Awards Account No. 0538-858-59900-0000) and $3,564.00 will be paid by the Educational Fund (Financial Aid Account No. 0134-125-592.4). In addition, the Harper Educational Foundation through a scholarship fund will also contribute $702.00 for the Student Trustee’s award. The 21 awards this semester total $9,261.00.

IV. RECOMMENDATION

It is recommended that the Board of Trustees approve the Fall, 2000 Student Service Awards in the amount of $4,995.00 from Account No. 0538-858-59900-0000 and $3,564.00 from Account No. 0134-125-592.4.
