APPROVAL OF AGENDA Member Howard moved, Member Hill seconded, approval of the Agenda.

In a voice vote, the motion carried.
PRESENTATIONS

ICCB Learning Award - Sally Griffith addressed the Board to recognize John Shola from Harper's Heating and Air Conditioning program. She displayed an award the program recently received, Award for Excellence in Learning Centered Instruction, from the Illinois Community College Board. She explained that, after noticing that the program was not conducive for many students, Mr. Shola completely changed the program to an open-entry/open-exit, self-paced individualized program. It is now a flexible program that fits many different lifestyles; students can come and work at their own pace. Over the last five years, they have seen a 47 percent increase in enrollment and a 93 percent increase in completions of certificates and degrees. It is a very effective program. Ms. Griffith thanked Mr. Shola for his efforts in the Heating and Air Conditioning Program at Harper College.

Chair Stone noted that this is an example of serving the community in the way it needs to be served.

NCCE Award - Russ Mills noted that InZone, the kids program offered at Harper in the summer, recently received an Exemplary Program Award from the National Council for Continuing Education and Training. He introduced Debbie Walenga, who has run the program for several years. The award was given to InZone because of its creativity, sustainability and its impact on the community. Over the last year, they had over 7,000 enrollments, which equates to 2,500 kids taking classes at Harper. Over 150 classes were offered in the enrichment area and 25 classes in the sports area.

Member Howard noted that her granddaughter has attended InZone for four different summers and has adored it. Mr. Mills noted that there are many families who know Harper because of the InZone program.

Dr. Breuder noted that it is obviously a good way for Harper College to get into the minds and hearts of young people early, so that when it is time to go on to college, Harper is on their radar screen.

Update on Diversity Issues - Cheryl Kisunzu read the College mission statement: "Harper College is a comprehensive community college, dedicated to providing excellent education at an affordable cost, promoting personal growth, enriching the local community, and meeting the challenges of a global society." She noted that the context of the following "Thought for the Day" (author unknown) frames the opportunities and the
challenges for Harper's diversity initiative: *If we could shrink the earth's population to a village of precisely 100 people with all existing human ratios remaining the same, it would look like this - there would be 57 Asians, 21 Europeans, 14 from the Western Hemisphere and 8 would be Africans; 51 would be female, 49 would be male; 70 would be non-white, 30 would be white; 70 would be non-Christian, 30 would be Christian; 70 would be unable to read, one would have a college degree.*"  

Ms. Kisunzu noted that, throughout the nation, recruitment of a diverse workforce is a primary initiative. Harper's commitment to focus on the recruitment of diverse faculty and administrators is congruent with the Illinois Community College Board's objectives.

**Overview of Harper's Diversity Initiatives**
- Harper hosted its first regional symposium where guest educators from the community joined the internal Harper community to discuss 21st century realities, which characterized diversity and academia. The keynote speaker was Dick Gregory, civil rights activist.
- Diversity workshops have been expanded to include all searches.
- Intent has been established to ensure that qualified applicants are screened in, and not screened out, as a result of conscious or unconscious biases.
- A mentoring program was implemented for those diverse faculty and administrators who are hired, which responds to the need for retention of these diverse hires, as well as their recruitment.

Laura LaBauve-Maher announced that the Center for Multicultural Learning (CML) had a very successful second year, marked by rapid growth in all areas of the program.

**Highlights of the Center for Multicultural Learning**
- Student traffic was increased by 46 percent.
- Through reorganization, a new position was created - the Diverse Program Specialist (shared with Student Activities).
- Over 2,500 students, faculty, staff and community members were reached through diverse programming.
- Three more faculty have successfully completed the faculty fellows program, and three more will be selected in December. A total of seven faculty fellows have used their curriculum of diversity.
• A presentation was done by several of the faculty fellows at the National Association of Student Personnel Administration Regional Conference. Ms. LaBauve-Maher noted that the Vice President of Student Affairs for Overland College, a four-year college, was at the presentation and observed that Harper’s Program for Multicultural Faculty Fellows is indeed a best practice worthy of being replicated at its institution. He further noted his intent to visit Harper to find out more about the specifics. He noted that Harper is ahead of the time.

• With the generous support of the Harper College Educational Foundation, the CML was able to award 16 scholarships to under-represented first generation minority students to participate in the second year of the REACH program retention efforts for academic completion at Harper.

• As a result of the Fall Orientation 101 course and the special workshops and intervention provided to these students, 100 percent of the students were retained for the fall semester; 61.5 percent were retained fall to spring and 83 percent of the students retained in the program achieved a GPA of 2.0 or higher. There is currently a cohort of 18 students in the REACH program.

Cultural Awareness Programming
Ms. LaBauve-Maher explained that Harper College has had a long tradition of celebrating diversity through cultural awareness programming.

• In addition to Black History Month and Asian Pacific Islander Month, Harper hosted Hispanic Heritage Month and Rainbow Week.

• Three hundred faculty, staff and students attended a discussion on creating a campus climate all can enjoy, hosted at Harper College.

• They also had a discussion for faculty on racism and white privilege. Overall, 21 cultural events were planned by the CML.

Ms. LaBauve-Maher reported that they recently received a $45,500 grant from Higher Education Cooperation Act (HECA) in order to continue work with the Minority Student Transfer Center, located in the CML.

Ms. Kisunzu noted that multicultural education is important for all students, and the World Cultures and Diversity graduation requirement is a formal recognition by Harper of
this understanding. The anticipated date for implementation is fall 2005.

She noted that Harper's Educational Foundation Board is very intentional with respect to diversity. Their own recruitment initiative included strategically identifying members of the community who could support their objectives. Seven diverse members, either women or people of color, were added to their Board.

Ms. LaBauve-Maher noted that, through collaborative efforts of IT and Enrollment and Marketing, Harper's financial aid website is now translated into Spanish, and is currently being translated into Polish. With the generous support of the Harper College Educational Foundation Resources for Excellence Grant, the Library was able to increase its multicultural holdings by increasing its overall book periodical and video holdings. The Office of Access and Disability Services (ADS) hosted two fundraisers last year and worked with the Harper College Educational Foundation to create an alumni scholarship and emergency fund to help students with disabilities.

**Initiatives for 2004/05**

- The CML is working with faculty from AELS, Math and Student Development to create a summer bridge program for under-prepared first generation students transitioning between high school and college. They are currently creating the structure of the program and will be presenting the recommendation to President's Council in spring, with the expected date of implementation August 2005.

- The Diversity Committee is currently reviewing the Diversity Plan and looking at the potential of full incorporation into the Strategic Long-Range Plan.

- In an effort to continue the growth of the cultural awareness programming, the CML has planned a Native American Week for this year and worked with the Latinos Unidos Student Organization to celebrate Day of the Dead with a greater community. Additionally, they are planning a Kwanzaa celebration on December 6.

Ms. Kisunzu noted that cultural competencies are essential for all of Harper's employees. This spring, they are planning to pilot a professional development experience for public safety officers, which could be potentially expanded to all employee groups. They will continue to strategically build a positive presence or reputation for diversity in the community.
and in the nation through the 2005 Diversity Symposium, which will have Latino education as its primary focus.

Ms. Kisunzu announced that Dr. Breuder received and accepted an invitation to present at the annual meeting of the American Association for Collegiate Registrars and Admissions Officers, which will be held in New York in March 2005. The focus will be the President's role in leading an institution's proactive response to diversity, specifically within the context of the Harper story.

Member Kelley thanked them for their informative presentation. Their efforts and accomplishments in diversity are so greatly appreciated; they are enriching the Harper community.

Member Kolze noted that it is gratifying to see the emphasis that has been placed on diversity issues. It indicates a lot of leadership on the part of many.

In response to Member Hill, Ms. Kisunzu explained that the focus on diversity at Harper College was formally put into action approximately four years ago with the identification of the Diversity Plan, the incorporation of the Diversity Committee, the addition of Ms. LaBauve’s position, and the President's restructuring of Ms. Kisunzu's position. It has been a formal four-year window. However, the commitment has been expressed in the mission and various experiences throughout the history of the College.

Ms. Kisunzu added that it is powerful to see that the response to diversity is no longer individuals, but consistent with the leadership, it is now a response of the institution.

Member Howard noted that Harper College has always had a commitment to serve the entire community. They have become much better organized and much more sophisticated in how to do it, and they have a strategic plan with all the action steps. It has brought them forward significantly in the last four years.

Sabbatical Presentation

Dr. Breuder asked Kathi Holper to share the results of her sabbatical. Ms. Holper explained that the term "Generation 1.5" has been given to those young students who have left their own countries during early adolescence and completed their high school education in English in American high schools. They are between their parents (first generation) and those that are born here (second generation); therefore,
they are Generation 1.5. For a variety of reasons, political, economic and/or religious, the parents decided that their children would have a better chance in life if they lived in the United States. Research has shown that those students often have problems related to literacy skills in English, as well as critical thinking strategies. At such a vulnerable time in their lives, these students want to understand and speak English like the other kids in their school. They do not want to be seen as different or foreign, so their main focus is to sound American and fit in with the crowd. Therefore, the development of more sophisticated proficiency in reading, writing and English falls by the wayside.

During the spring semester of this past year, Ms. Holper visited all of the ESL classes in Districts 211 and 214. Even though their own teachers had talked constantly to the students about their need to develop their abilities in reading and writing in order to be successful in college, it became clearer to students after visiting with Ms. Holper. Students responded very well to her.

During her time in their classes, Ms. Holper explained the testing procedure at Harper for both math and English courses so that students would understand that their English preparation in high school should be taken seriously. The students asked Ms. Holper many questions about college in general - the amount of homework, tuition, financial aid, scholarships, and whether they could eat in the classrooms. With no one in their families who has completed university education in the United States, the kids have countless questions about higher education here.

Ms. Holper showed the students some textbooks and novels that are used in the advanced ESL classes, and she explained the amount of reading that would be expected of students within a week. They were amazed that students were expected to get through that much work. Ms. Holper explained their need to be able to compete with American students in English 101 and 102 classes.

In addition to talking to the students and their instructors, Ms. Holper collected writing samples from each of the students, corrected them as if the students were in one of her classes at Harper, and then went back and discussed problems she saw in the essays with each student personally. She noted that the high school teachers have spoken very highly of a Harper presence in their classes. Therefore, her department has decided to send one of the full-time faculty members to
each of the high schools in the coming spring semester to do similar work.

Ms. Holper added that Generation 1.5 students often cause some behavior problems in traditional ESL classes at Harper. There are some teachers who prefer not to have them mixed with traditional ESL students who have newly arrived from other countries. She can understand the teachers' point of view; however, she has great compassion for this group of students. She imagines how her own children would have reacted if she had decided to transplant them from what they have always known in their lives here to some other country where they did not know the language or the cultural expectations. Young children adapt quite easily to new environments--teenagers do not.

She added that a lot of anger and resentment is seen in the Generation 1.5 group--anger at their families, their teachers and their own problems with English. They miss their friends in their own countries, they miss their language and most of all, they miss their ability to fit in and know the rules of their culture. Ms. Holper noted that she once gave an assignment to students in a writing class to describe the worst day of their lives. Within one class, she had several Generation 1.5 students who wrote about their first day in an American high school. They wrote about how they were treated negatively or how they felt different because of their dress or their hairstyle. They wrote about sitting in classes not understanding one word of English, waiting for the day to end.

Ms. Holper explained that the sabbatical allowed her to reach out to a group of ESL students who are in trouble. By visiting them in their own schools and explaining the expectations of Harper or any other college, she feels hopeful that she helped their teachers explain the importance of studies now to prepare them for college. She wanted the students to know that they are most welcome at Harper.

Chair Stone noted that Ms. Holper is to be congratulated for what she has done. She asked if there was anything more the Board can do to assist in these efforts.

Member Murphy stated that this sabbatical has had a very real and dramatic impact on the people in this area. Ms. Holper has done a wonderful thing.
In response to Member Howard, Joan Kindle noted that a major part of the initiative for the CML is to focus on helping students acclimate, involving the celebration of all cultures so that they are not as foreign.

**STUDENT TRUSTEE REPORT**

There was no student trustee report.

**PRESIDENT'S REPORT**

**ERP Update**

Dr. Breuder asked Terence Felton to give a brief update on the ERP system status. Dr. Breuder noted that the Board will receive the ERP system acquisition as an agenda item at the December meeting.

With regard to the implementation piece, terms and conditions, Mr. Felton stated that they are almost finished negotiating price.

- GFOA is leading the negotiations. They have finalized the cost of the software and the third party products.
- For the past few months, they have been negotiating the implementation services.

Dr. Breuder explained that, once the Board approves the acquisition, Harper's real work begins. It is a two year process (or greater), and it will literally turn the institution inside out and upside down. They understand that the end result is clearly to the advantage of Harper and its ability to serve students.

**Agenda Items**

Dr. Breuder noted that, at their recent retreat, the Board made a request to have an overall picture of the kinds of agenda items that are forthcoming within a 12-month window. He distributed a document to Board members, noting that they are the "big-ticket" items, not small items that would come on a regular agenda.

**Enrollment**

Dr. Breuder noted that, as of today, they crossed an enrollment of 9,126, which is a 5.001 percent increase. He reminded everyone that three days before the College was opened in the fall, enrollment was at 7,200 FTE; it is now close to 9,200 FTE or 2,000 students full-time processed during the course of the semester. He noted that this demonstrates the flexibility of Harper's programming and the fluidity of the intake that happens at Harper.
In response to Member Hill, Dr. Margaret Skold explained that they are currently looking at a variety of subject areas with regard to making them more flexible or conducive to students’ varied lifestyles. They do have some open entry/open exit work in the Computer Information Systems area and in all the basic education areas. They are building a matrix that will help to be able to design templates that would guarantee opportunities for completion in various blocks of time or days of the week for a 12-16 week component. Member Hill noted that there are many other things he would like to know about, but not at the full Board meeting. Chair Stone suggested that perhaps it could be addressed as an educational presentation in the future.

HARPER EMPLOYEE COMMENTS

Arlene Bublick, acting Chair of the newly-formed Harper College Adjunct Faculty Association (HCAFA), addressed the Board. She explained that the size of their combined bargaining units is 300 members, one and one-half times the number in the full-time faculty union. At last month’s Board meeting, a report was given stating that Harper is now recognized for excellence in education. The adjunct faculty is a large part of the reason for that recognition.

Ms. Bublick requested the help of the Board in moving negotiations along more expeditiously and economically. College administrators have been meeting with the HCAFA since June 29 to negotiate the first contract covering six-hour adjunct faculty members. Considering the fact that they have met 19 times for a total of more than 51 hours; four college negotiators are present at each negotiating session; the College has spent more than 204 hours at the table so far; and they have spent several hundred hours preparing for and caucusing on negotiations - it is estimated that greater than $15,000 has been spent on negotiations so far. Unfortunately, they have reached tentative agreements on only five minor sections and one article. At this rate, the College can expect to spend well over $100,000 in administrator time to negotiate the first contract.

What is holding up negotiations?

- The first response by the College was to reject all the language of the complete proposal, even non-binding simple language, i.e. the introduction which describes that the contract was a contract between the College and the association, nothing more. They continue to fight over language that is common to their contracts with other Harper units and other schools. (She encouraged
• After the HCAFA proposed consolidation of negotiations with two additional groups of adjunct faculty (all three-hour adjuncts as well as part-time librarians and counselors), the administration rejected the consolidation on three separate occasions.

**Why consolidate?**

• To reduce the cost of the negotiating process. At the current pace of negotiations for just the six-hour adjuncts, it could cost the College more than $100,000. It would not be a prudent use of taxpayers’ money to repeat this cost two more times.

• There will be uniformity between at least three adjunct bargaining units covering the largest number of employees at the school. Without consolidating, the divisive approach will create many problems.

On behalf of the HCAFA, Ms. Bublick asked the Board to intercede in the negotiations and advise the administrators to consolidate the negotiations with the six-hour and three-hour adjuncts, and the 12 part-time librarians and counselors immediately. She asked them to direct the administrators to work quickly and constructively toward an agreement that meets the values expressed in the Core Value Statement of Harper College.

Chair Stone thanked Ms. Bublick for her remarks.

Upon roll call on the Consent Agenda, the vote was as follows:

Ayes: Members Hill, Howard, Kelley, Kolze, Murphy and Stone
Nays: None

Motion carried.

Member Howard called attention to her report from the Harper College Educational Foundation. She noted that three new Board members were welcomed recently: Carol Beese, Rita Canning and Diane Hill. Member Howard noted that the Educational Foundation was mentioned several times throughout the presentation on diversity earlier in the Board meeting. The fundraising efforts of the Educational Foundation make it possible for Harper College to undertake special initiatives.
On behalf of the Board, Chair Stone expressed sincere thanks to the Educational Foundation for their efforts in supporting diversity initiatives. She suggested that the Board write a letter of appreciation to the Educational Foundation.

NEW BUSINESS:
National Incident Management System (NIMS)

Member Howard moved, Member Kolze seconded, adoption of the Resolution for National Incident Management System as its management model for handling natural or manmade disasters, as outlined in Exhibit X-A (attached to the minutes in the Board of Trustees' Official Book of Minutes).

Member Howard explained that the College has a very sophisticated system for dealing with emergencies and evacuation, and their people are well trained.

In response to Member Hill, Mike Alsup stated that they work very closely with the Palatine Emergency Management Agency and the Cook County Sheriff's Police. He added that they take requests when contacted regarding the use of Harper College facilities, and they will consider the feasibility of assisting.

Upon roll call, the vote was as follows:

Ayes: Members Hill, Howard, Kelley, Kolze, Murphy and Stone
Nays: None

Motion carried.

Recommendation to Retain Advanced Practical Solutions, LLC

Member Hill moved, Member Kolze seconded, to retain Advanced Practical Solutions, LLC, for consulting services with regard to state agency and legislative monitoring of the Illinois General Assembly, and to authorize the Chair to sign a contract, pending attorney review, in the amount of $5,000 per month for 12 months (January 1, 2005 to December 31, 2005) for a total of $60,000, plus expenses pre-approved by the President, and for an option to renew for an additional two years at the same cost, at the discretion of the President in consultation with the Chair, as outlined in Exhibit X-B (attached to the minutes in the Board of Trustees' Official Book of Minutes).

In response to Member Murphy, Dr. Breuder explained that he received the name of this organization from a member of
the Educational Foundation. It was highly recommended for the purpose of helping the College work with State government in the area of capital needs. While Harper has had a grant sitting at the State, they have been unable to have it released, even though it has been authorized. The College has additional needs in the capital arena. Dr. Breuder added that the current administration at the State level has been very sparse in the release of capital dollars for projects. He noted that, after meeting with the principal in the firm, he was impressed with his abilities, and he feels he has the standing and connections necessary to help Harper College work its capital development agenda in Springfield.

Dr. Breuder noted that he and Chair Stone did a reference check to make sure the lobbyist would be able to work successfully with Harper. All three people contacted were unequivocal in their observation that the principal in this firm was very well positioned in the State, had credibility, had standing and could be of substantive assistance to Harper College.

In response to Member Murphy, Chair Stone stated that they are satisfied; they received information that caused them to feel that there were no current legal issues. It was made clear that the situation was very clearly disclosed to the Governor of Illinois at the time that the principal of the firm worked in the Governor’s campaign.

Member Howard stated that the taxpayers in Harper's district send a lot of money to Springfield. It is entirely appropriate that some of the money, in terms of State appropriations, be used in this district. Harper College serves hundreds of thousands of residents; it is a very good way to get payback to a broad section of the population.

Dr. Breuder shared that this is not the first time Harper College has hired a lobbyist. The firm Dorgan-McPike was hired in December 2000 for the same reason, to help Harper with some capital needs at the State level. There are two major projects sitting on the short list that Harper would like to protect: the Campus Life Center and renovations of Buildings G and H. The two projects total $45M in State funding, and the College is obliged to put 25 percent on top of that in the pot. That money has already been set aside. Dr. Breuder reminded everyone that every other community college in the State shares the same need for funding. It is going to become increasingly difficult to get the money out of Springfield.
Member Kelley stated that he recognizes the capital projects are extremely meritorious, and he knows that Harper has spent a long time waiting for them. The Harper community would be well served by funding the immediate projects and other ones on the drawing board. However, he is uncomfortable with the idea of one branch of government paying private lobbyists to lobby another branch of government.

In response to Member Hill, Dr. Breuder stated that Dorgan-McPike helped the College sustain its presentation on the short list of the capital development or the State's ICCB/IBHE capital list. At the time it was the Science Center, and then it was later substituted for the Campus Life Center.

Member Murphy noted that he spoke with people in this business and found that the entity is uniquely positioned to help Harper College in this regard with this Governor. He also found out that the monthly rate is within the normal range and is a typical rate.

Upon roll call, the vote was as follows:

Ayes: Members Hill, Howard, Kolze, Murphy and Stone
Nays: Member Kelley

Motion carried.

Affiliation Agreements with Children's Memorial Hospital and Loyola University Medical Center

Member Kelley moved, Member Murphy seconded, approval of the Affiliation Agreements between Harper College and Children's Memorial Hospital and Loyola University Medical Center as submitted, and authorization for the Dean of Life Science and Human Services to sign all of the above, as outlined in Exhibit X-C (attached to the minutes in the Board of Trustees' Official Book of Minutes).

Upon roll call, the vote was as follows:

Ayes: Members Hill, Howard, Kelley, Kolze, Murphy and Stone
Nays: None

Motion carried.
Dr. Breuder noted that he recently met with the President of Advocate Good Shepherd Hospital. She confirmed that their greatest manpower needs going forward are in the area of nursing. Two other major medical centers in the area also affirmed the need for baccalaureate degree nurses. Another area of need is in diagnostic imaging, which encompasses CAT scan, radiology, MRI, etc. Dr. Breuder noted that the decision a year ago to take shell space in Avanté and convert it into a diagnostic imaging center was, in fact, the right thing for the College to do. They spent $600,000 to prepare the facility to enable them to turn out a larger number of people in this particular discipline area. They are being trained in a way where they can cross pollinate - they can move from one area to another with little difficulty by getting an additional competency credential. It makes them very mobile, very flexible and very attractive to healthcare providers within the district. Dr. Breuder noted that he was pleased to hear that information directly from a healthcare provider that has a distinguished reputation in the Northwest Suburbs. Chair Stone reiterated that it confirms the decisions made were correct.

WILLIAM RAINEY HARPER COLLEGE

BOARD ACTION

I. SUBJECT

Recommendation for the award of bid request Q00396 for the purchase and installation of vinyl composition tile in Buildings A and C as requested by Physical Plant.

II. BUDGET STATUS

Funds in the amount of $21,213 are provided in the 2004/05 Operations and Maintenance Restricted Fund budget, under account number 0392-039-584-00-9116.

III. INFORMATION

A legal bid notice was published and seven bids solicited. Four responses were received. The following is a recap of the bid tab sheet:

Vortex Enterprises, Inc. $21,213.00
Libertyville Tile & Carpet, Ltd. 22,567.00
Floorcovering Professionals, Inc. 32,300.00
Office Equipment Company of Chicago 35,576.55

This request is for replacement of the vinyl composition tile that is to be removed from the third floor hallway of Building A and the second floor hallway of Building C during the asbestos abatement project. Much of the current tile is damaged. Repair of damaged expansion joints within the areas is included.

This is an approved Life Safety project.
IV. RECOMMENDATION

The administration recommends that the Board award Q00396 for the purchase and installation of vinyl composition tile in Buildings A and C to Vortex Enterprises, Inc., the low bidder, in the amount of $21,213.
I. SUBJECT

Recommendation for the award of bid request Q00394 for asbestos abatement in Buildings A and C as requested by Physical Plant.

II. BUDGET STATUS

Funds in the amount of $68,500 are provided in the 2004/05 Operations and Maintenance Restricted Fund budget, under account number 0392-039-534-00-9116.

III. INFORMATION

A legal bid notice was published and nine bids solicited. Seven responses were received. The following is a recap of the bid tab sheet:

Colfax Corporation $49,451 No bid 1 item
LVI Environmental Services, Inc. 55,600 No bid 1 item
Universal Asbestos Removal, Inc. 60,000
Holian Asbestos Removal & Encapsulation Corp. 63,000
Champion Environmental Services, Inc. 68,800
EHC Industries, Inc. 72,350
The Luse Companies, Inc. 81,763

This request is for asbestos abatement in the third floor hallway and the basement mechanical room of Building A, as well as in the second floor hallway of Building C and on the bridge connecting the two buildings. Replacement of the pipe insulation in the basement mechanical room of Building A is included.

This request is also for consulting fees of not to exceed $8,500 for a licensed Asbestos Project Manager to oversee the abatement and a
licensed Air Sampling Professional to conduct air monitoring and analysis during the abatement.

This is an approved Life Safety project.

IV. RECOMMENDATION

The administration recommends that the Board award Q00394 to Universal Asbestos Removal, Inc., the low bidder that submitted a complete bid for asbestos abatement in Buildings A and C, in the amount of $60,000 and consulting fees not to exceed $8,500, for a total award of $68,500.
WILLIAM RAINNEY HARPER COLLEGE

BOARD ACTION

I. SUBJECT

Recommendation for the award of bid request Q00392 for the purchase and installation of lighting fixtures as requested by Auxiliary Services for the Bookstore.

II. BUDGET STATUS

Funds in the amount of $52,947 are provided in the 2004/05 Auxiliary Fund budget, under account number 0562-074-584.

III. INFORMATION

A legal bid notice was published and six bids solicited. Four responses were received. The following is a recap of the bid tab sheet:

- ALL Tech Lighting, Inc. $52,947
- HNG Electric, Inc. 54,400
- Adlite Electrical Company, Inc. 69,887
- SMC Electrical Corporation 85,648

This request is for the Bookstore to replace all of the light fixtures and change the light fixture layout for 6,800 square feet of retail space. The new light fixtures will improve the light levels in the Bookstore and meet the design requirements of the new fixture floor plan that was approved by Board action April 27, 2004. The new design will allow for the flexibility of shifting floor plans to enable the Bookstore to meet the future needs of the College as enrollment increases.
IV. RECOMMENDATION

The administration recommends that the Board award Q00392 for the purchase and installation of lighting fixtures for the Bookstore to ALL Tech Lighting, Inc., the low bidder, in the amount of $52,947.
WILLIAM RAINNEY HARPER COLLEGE

BOARD ACTION

I. SUBJECT

Recommendation for the award of bid request Q00393 for the purchase and installation of two bakery hoods as requested by Physical Plant for the Utilities department.

II. BUDGET STATUS

Funds in the amount of $48,235 are provided in the 2004/05 Operations and Maintenance Restricted Fund budget, under account number 0392-039-587-00-9318.

III. INFORMATION

A legal bid notice was published and five bids solicited. Three responses were received. The following is a recap of the bid tab sheet:

Oak-Tin Heating & Cooling, Inc. $48,235
P & W Heating & Cooling, Inc. 48,276
HVAC Consultants, Inc. 59,800

This request is for the replacement of two kitchen exhaust hoods located in the basement of Building A in classrooms 006 and 023. Both classrooms are used for culinary classes in the Hospitality Management program.

Currently, 20-year-old heat ventilation hoods are in the rooms. The hoods are not recommended for grease exhaustion purposes, have frequently broken down and are now beyond repair. The new hoods will meet both the National Fire Protection Association code and the building code and will provide a safe classroom environment.
IV. RECOMMENDATION

The administration recommends that the Board award Q00393 for the purchase and installation of two bakery hoods to Oak-Tin Heating & Cooling, Inc., the low bidder in the amount of $48,235.
WILLIAM RAINNEY HARPER COLLEGE

BOARD ACTION

I. SUBJECT

Recommendation for the award of bid request Q00398 for the purchase of four dugouts for the baseball and softball fields as requested by the Wellness and Human Performance Division for the baseball and softball programs.

II. BUDGET STATUS

Funds in the amount of $60,030 are provided in the 2004/05 Auxiliary Enterprise Fund budget, $30,000 under account number 0136-075-585 and $30,030 under account number 0569-077-585.

III. INFORMATION

A legal bid notice was published and four bids solicited. Three responses were received. The following is a recap of the bid tab sheet:

- APS Concrete Products, Inc. $60,030
- JE Hill Precast 74,783
- Smith Carolina Corp. 84,042

This request is for two precast concrete dugouts for the baseball field and two precast concrete dugouts for the softball field. The dugouts will be used by Men’s Baseball, Women’s Softball, sports camps, and physical education classes. Having enclosed dugouts is a condition, within the bylaws of the National Junior College Athletic Association Region IV, for hosting regional and sectional competition. The College does not currently meet this condition. Enclosed dugouts are necessary to adequately protect facility users from severe weather conditions that are typical in this area.
Precast concrete dugouts are being recommended because of their appearance, durability and ease of installation. The dugouts will have a precast finish that will be stained to fit into the color scheme of the campus. They are constructed of steel reinforced concrete. Each fully constructed dugout will be placed directly onto a prepared crushed stone base, allowing adequate drainage and support.

IV. RECOMMENDATION

The administration recommends that the Board award bid request Q00398 for the purchase of four dugouts for the baseball and softball fields to APS Concrete Products, Inc., the low bidder, in the amount of $60,030.

SUMMARY OF PURCHASE ORDERS

The administration recommends that the Board approve issuance of a purchase order to R. J. Galla Co., Inc. for Excess Workers Compensation Insurance in the amount of $41,884, and approve issuance of a purchase order to Cannon Cochran Management Services, Inc. (CCMSI) for third party administration of Workers Compensation claims in the amount of $16,485, for a total of $58,369.

BOARD ACTION

I. SUBJECT

Recommendation for approval for the issuance of a purchase order to R. J. Galla Co., Inc. for Excess Workers Compensation Insurance, and for issuance of a purchase order to Cannon Cochran Management Services, Inc. (CCMSI) for third party administration of Workers Compensation claims as requested by Administrative Services.

II. BUDGET STATUS

Funds in the amount of $58,369 will be provided, $29,184.50 in the 2004/05 and $29,184.50 in the 2005/06 Trust and Agency Fund budget, under account number 1292-039-523.

III. INFORMATION

At the December 18, 2003 meeting of the Board of Trustees, approval was given for the College to begin self-insuring its Workers Compensation Insurance program. As part of the program, approval was given to purchase Excess Workers Compensation Insurance from R. J. Galla Co., Inc. and to retain CCMSI as Third Party Administrators (TPA) to oversee claim handling.
The following is a summary of cost projections and actuals for Workers Compensation for the 2004 calendar year as well as cost projection information for the 2005 calendar year:

<td>$343,820</td>

</tr>
</tbody>
</table>

*The $325,000 in Estimated Retained Losses is based on a trend analysis of six years from 1998/99 through 2003/04.

Had the College not changed to the self-insured program, the Workers Compensation Insurance premium would have been $523,944.

The current excess policy premium is $44,562. R. J. Galla Co. was asked to approach the market for quotes on coverage for January 1, 2005 through January 1, 2006 with $300,000 retention, the current retention rate of the College. R.J. Galla Co. was able to get quotes from two carriers. A summary of the quotes is listed below:

<table>
<thead>

<tbody>
<tr>

<td></td>
<td>$73,392</td>
</tr>
<tr>
<td>Safety National Casualty Corp.</td>
<td>$55,239</td>
<td>$41,884</td>
</tr>
</tbody>
</table>

In an effort to retain the business, Safety National quoted on the $300,000 retention but, as most others in the industry, they are no longer writing excess Workers Compensation at that level. The College insurance consultant recommended moving to the
$350,000 retention level with Safety National. The premium will be $41,884.

Part of the proposal for third party claims administration was an option to renew at the current rate for an additional two years at the discretion of the administration. CCMSI has been very aggressive in working with the College to hold costs at the lowest level possible. It is the recommendation of the administration that the College retain CCMSI for the 2005 calendar year at an approximate cost of $16,485.

IV. RECOMMENDATION

The administration recommends that the Board approve issuance of a purchase order to R. J. Galla Co., Inc. for Excess Workers Compensation Insurance in the amount of $41,884, and approve issuance of a purchase order to Cannon Cochran Management Services, Inc. (CCMSI) for third party administration of Workers Compensation claims in the amount of $16,485, for a total of $58,369.

BOARD INFORMATION

There are no purchases against consortiums or cooperatives this month.
I. SUBJECT

Adoption of Levy Resolution

II. REASON FOR CONSIDERATION

Approval by the Board of Trustees is necessary to authorize the Board Chairman and Secretary to execute the adoption of the Levy Resolution.

III. BACKGROUND INFORMATION

The provisions of the Illinois Community College Act, 110-ILCS 805/3-20.5, require that the board of each community college district annually ascertain, as nearly as practical, how much money must be raised by special tax for Education; Operations and Maintenance; Tort Liability Insurance, Workers’ Compensation and Occupational Diseases Insurance, and Unemployment Insurance; Medicare Insurance; Financial Audit; and Life Safety purposes for the next year. Such amounts shall be certified and returned to the County Clerks on or before the last Tuesday in December annually.

IV. RECOMMENDATION

The administration recommends that the Board of Trustees adopt the Levy Resolution for 2004.
ADOPTION OF LEVY RESOLUTION

Member_________ moved, seconded by Member _______________

BE IT RESOLVED that the following Resolution and Certificate of Tax Levy for 2004 be approved and adopted by the Board of Trustees of William Rainey Harper College, Community College, Community College District No. 512, Counties of Cook, Kane, Lake and McHenry, State of Illinois, and that the Certificate of Tax Levy be filed with the County Clerks’ Offices of Cook, Kane, Lake and McHenry Counties, State of Illinois, in accordance with the provisions of 110-ILCS 805/3-20.5 of the Illinois Community College Act:

We hereby certify that we require the sum of $28,804,075 to be levied as a special tax for Educational purposes on the equalized assessed value of the taxable property of our district for the year of 2004.

We hereby certify that we require the sum of $12,194,210 to be levied as a special tax for Operations and Maintenance purposes on the equalized assessed value of the taxable property of our district for the year 2004.

We hereby certify that we require the sum of $2,327,070 to be levied as a special tax for Tort Liability Insurance purposes, Workers’ Compensation and Occupational Diseases Insurance purposes, Unemployment Insurance purposes and Tort Liability Prevention Items on the equalized assessed value of the taxable property of our district for the year 2004.

We hereby certify that we require the sum of $125,000 to be levied as a special tax for Financial Audit purposes on the equalized assessed value of the taxable property of our district for the year 2004.

We hereby certify that we require $710,000 to be levied as a special tax for Medicare Insurance and Social Security purposes on the equalized assessed value of the taxable property of our district for the year 2004.
Exhibit X-A
December 21, 2004

We hereby certify that we require the sum of $700,000 to be levied as a special tax for Energy Conservation, Health or Safety, Environmental Protection or Handicapped Accessibility purposes on the equalized assessed value of the taxable property of our district for the year 2004.

Bond and Interest levy to be determined by each of the County Clerks.

CERTIFICATE OF COMPLIANCE WITH 
THE TRUTH IN TAXATION LAW

I, the undersigned, do hereby certify that I am Chairman of the Board of 
Trustees of William Rainey Harper Community College District No. 512, Counties of 
Cook, Kane, Lake and McHenry, State of Illinois; and

I do further certify that the Board of Trustees of said district adopted a 
"Resolution Regarding Estimated Amounts Necessary to be Levied for the Year 
2003," at a regularly convened meeting held on the 26th day of October 2004, said 
date being at least thirty (30) days preceding the adoption of the aggregate tax levy 
of the district; and

I do further certify that public notice of the intention of the district to adopt an 
aggregate tax levy was published on December 7, 2004, in accordance with the 
provisions of the Cook County Truth in Taxation Law, in newspaper of general 
circulation in William Rainey Harper Community District #512, a copy of which 
published certificate is attached hereto; and

I do further certify that a public hearing on proposed tax levy was held in said 
district on December 21, 2004; and

I do further certify that the aggregate tax levy of the district was adopted on 
December 21, 2004 after public notice and a hearing, all in accordance with the 
Cook County Truth in Taxation Law.

I. SUBJECT:

Abatement of Taxes levied for 2004 to pay the debt service on $4,070,000 General Obligation Bonds, Series 2001 (Alternate Revenue Source) and authorization to transfer $527,395 from the Auxiliary Fund to the Bond and Interest Fund to provide funds for the abatement.

II. REASON FOR CONSIDERATION

The purpose of this abatement is to cover the debt service costs for the purchase of 650 Higgins from revenues generated. The Board of Trustees approved this funding approach at the time they authorized selling the Alternate Revenue Bonds.

III. BACKGROUND INFORMATION

The Board of Trustees, as part of the plan to purchase 650 Higgins, approved the sale of $4,070,000 Alternate Revenue Bonds. As a condition of this action, it was agreed that the levy covering the payment of debt service for these bonds would be abated each year and that funds necessary to cover the debt payment would be transferred each year from the revenues generated in the Auxiliary Fund to the Bond and Interest Fund. This recommendation is in keeping with the intended plan.

IV. RECOMMENDATION

It is recommended that the attached resolution abating the tax levied for 2004 to pay the debt service on the $4,070,000 General Obligation Bonds, Series 2001 (Alternate Revenue Source) be approved and the transfer of $527,395 from the revenues generated in the Auxiliary Fund to the Bond and Interest Fund be authorized.
RESOLUTION abating the tax heretofore levied for the year 2004 to pay debt service on General Obligation Bonds (Alternate Revenue Source), Series 2001, of Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois.

* * *

WHEREAS, the Board of Trustees (the “Board”) of Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois (the “Issuer”), by resolution adopted on the 8th day of March, 2001 (the “Bond Resolution”), did provide for the issue of $4,070,000 General Obligation Bonds (Alternate Revenue Source), Series 2001 (the “Bonds”), and the levy of a direct annual tax sufficient to pay principal and interest on the Bonds; and

WHEREAS, any capitalized term used but not defined in this Resolution shall have the meaning as defined in the Bond Resolution; and

WHEREAS, the Issuer will irrevocably set aside Pledged Revenues in the Bond Fund for the purpose of paying the debt service due on the Bonds during the next succeeding Tax Year; and

WHEREAS, it is necessary and in the best interests of the Issuer that the tax heretofore levied for the year 2004 to pay such debt service on the Bonds be abated:

NOW, THEREFORE, Be It and It is Hereby Resolved by the Board of Trustees of Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois, as follows:
Section 1. Deposit Authorized. The Board hereby authorizes and directs that the sum of $527,395 be irrevocably transferred forthwith from the tuition and fees charged by the Issuer for participation in the Issuer’s TECH Program to the Alternate Bond and Interest Fund of 2001 for the purpose of paying the debt service due on the Bonds on June 1, 2005, and December 1, 2005.

Section 2. Abatement of Tax. The tax heretofore levied for the year 2004 in the Bond Resolution is hereby abated in its entirety.

Section 3. Filing of Resolution. Forthwith upon the adoption of this resolution, the Secretary of the Board shall file a certified copy hereof with the County Clerks of Cook, Kane, Lake and McHenry Counties, Illinois, and it shall be the duty of said County Clerks to abate said tax levied for the year 2004 in accordance with the provisions hereof.

Section 4. Effective Date. This resolution shall be in full force and effect forthwith upon its adoption.

WILLIAM RAINEY HARPER COLLEGE

BOARD ACTION

I. SUBJECT

Approval to enter into contract agreements to purchase Harper’s next generation Enterprise Resources Planning (ERP) software system and related software provided by the following software vendors: Oracle Corporation, Vertex, Inc., CollegeNet, Inc. and Miami University.

II. REASON FOR CONSIDERATION

Harper once again is positioned for major advances in Technology. Since the 1990’s, Harper has matured in the use of technology because of the support from the Board of Trustee’s and because the college community embraces its use. Technology has become an integral component of the campus infrastructure and permeates all aspects of the operations from instructional delivery to basic business functions. Imbedded in the technology infrastructure are business software systems that manage data and provide information to the campus community. These software systems are commonly identified as Enterprise Resource Planning (ERP) systems.

Approximately twelve (12) years ago, Harper acquired its current ERP system, and that system has served the College well. Technology has significantly evolved over the past 12 years, and the current system has significant limitations and lacks necessary technological improvements. As a result, productivity, customer self-service and overall functionality are severely impacted. These limitations affect areas of the college that need to be responsive to the increased customer demands and that are needed to support a number of Harper’s strategic initiatives.

To that end, a proposal was presented to the Board of Trustees at the March 25, 2003 Regular Board Meeting to replace the current ERP system. The consensus at the meeting was to commence the process of researching for and ultimately acquiring a new ERP system.

Included in the proposal was a proposed budget of $8,000,000. Because this project is a technology initiative, Technology Plan funding sources were reviewed as the mechanism to fund this ERP initiative. The initial
Technology Plan and associated funding sources, comprised of technology fees and general revenue bonds, were approved at the April 12, 1995 Special Board Meeting. Adjustments to the technology recycle schedule and the completion of many significant Technology Plan initiatives allows for the realignment of these funds to support both the new ERP project and limited annual Technology Plan initiatives.

III. BACKGROUND INFORMATION

With tentative approval from the Board of Trustees at the March 25, 2003 Regular Board meeting, a project plan, “ERP – The Next Generation” was developed and the acquisition process began. However, the size and complexity of this project necessitated seeking procurement expertise. The Board of Trustees at the Regular Board Meeting of November 13, 2003, approved the administration to contract with the Government Finance Officers Association (GFOA) to provide this expertise. GFOA identified a number of deliverables that would assist Harper in the procurement process and in contract negotiations. In tandem with the above activities, a team consisting of key individuals from across campus was given the responsibility to develop requirements (3,689 in total) that would assist in selecting the ERP system. These activities culminated in the development of Request for Proposal (RFP).

The RFP was released on March 1, 2004, to the vendor community. Harper innovatively used an existing software package (Blackboard) to manage the RFP process via the Internet. Blackboard is the same software used by Academic Affairs for on-line course management. Many of the inherent features made it a very useful tool in conducting this phase of the project. The utilization of Blackboard was unique for a number of reasons. The primary reason was the opportunity for administrative staff to become acquainted with electronic procurement (e.Procurement) methods. Reducing the volume of paper and mailing costs, timeliness of responses for the submission of electronic communications, and 24 X 7 availability for vendor interaction were additional benefits.

In addition to the RFP submission, vendors were required to acquaint the Harper College campus community with their proposed software solution by conducting week-long demonstrations that adhered to a predefined script. Key individuals from each business unit, as well as other staff members as appropriate, attended sessions relative to their particular job functions and responsibilities. The required outcome was for the attendee’s to submit an evaluation that was integral to the vendor selection process. These key individuals will continue to provide their input as members of various project teams during the implementation
phase. During the demonstration week, each vendor conducted sessions with Harper’s executive team also following a predefined demonstration script.

This significant investment in human resources and time resulted in the identification of two of the four vendors being invited back for discovery sessions. The two vendors then returned for a one-day visit with the Harper Executive Team and GFOA. At the completion of the follow-up visit, GFOA compiled the additional inquiries identified during the discovery sessions to which each vendor was required to respond and submit a “best and final offer.” Once this information was received and reviewed. Additional concerns were identified, and GFOA compiled and requested responses and a second “best and final offer.” This second best and final offer and related responses were reviewed by GFOA who then provided counsel to the Executive Team. The Executive Team after much deliberation recommended to the President that Harper should have GFOA begin contract negotiations with the Oracle Corporation as the vendor to provide Harper with the next ERP system.

GFOA conducted contract negotiations with Oracle that resulted in securing software pricing of benefit to Harper. Further, as with all vendors, certain Harper requirements could not be met entirely with a single vendor. Therefore, third party vendors are also required. The third party vendors are Vertex, Inc., for their Payroll Tax Table services; CollegeNet, Inc. for room scheduling and usage software Resource25, Schedule25; and Miami University for transcript and degree audit software, DARWin. The third party software pricing, terms and conditions were also negotiated by GFOA. GFOA has reviewed the results of the Oracle and third party negotiations. GFOA recommends that Harper accept the negotiated prices.

Harper’s ERP project has four major components. The first and most significant is the Software Acquisition component that is represented in this exhibit. The second component, Implementation Services, is integrally tied to the first component and is submitted for approval in Exhibit X-D. That exhibit is contained in this month’s Board meeting material. The third and fourth components, Hardware Acquisition and Backfill/Consulting Assistance, will be presented at a future Board meeting once the implementation schedule is developed and the Implementation Vendors have been engaged.

This purchase complies with State Statute and Board Policy.
IV. RECOMMENDATION

The administration recommends the Board approve the purchase of software for the proposed ERP system and to authorize the Chair of the Board to sign contracts after final review by Harper’s legal counsel as follows:

From Oracle Corporation for ERP software system that includes the Student Information System (SIS), Human Resource Information System (HRIS), Financial Information System (FIS), Oracles Technology Solution Suite, Business Collaboration Suite and the first year of maintenance in the amount of $2,331,518;

From Vertex, Inc. for their Payroll Tax Table services and first year of support in the amount of $11,250;

From CollegeNet, Inc. for room scheduling and usage software Resource25, Schedule25, and the first year of maintenance in the amount of $49,293;

From Miami University for transcript and degree audit software, DARWin, implementation, training and first year of support in the amount of $63,657, for the total of $2,455,718.
I. SUBJECT

Approval to enter into contract agreement with Greenbrier & Russel, Inc., and Oracle Consulting to provide Harper implementation services for the installation of the Oracle Enterprise Resource Planning (ERP) System that includes Student Information System (SIS), Financial Information System (FIS), Human Resource Information System (HRIS), Oracle Technology Suite and Business Collaboration Suite.

II. REASON FOR CONSIDERATION

The proposed advanced Enterprise Resource Planning (ERP) system solution provides a high level of business intelligence and work flow that will be new to the Harper College campus community. The proposed ERP project has broad scope, sophistication, complexity, and significant cost.

In order to implement the proposed ERP solution, a robust methodology that promotes integration of the technical aspects with process redesign and workforce transition is required. Specifically, implementation help is needed in areas such as: process redesign; data standardization; file and table building; report design and writing; data conversion; interface design, development and implementation; test planning and execution; documentation; go-live support; training; change management, and transition planning.

III. BACKGROUND INFORMATION

Implementation services are integral to the ERP solution and were included in the Request for Proposal requirements. These services were requested in-order to assist Harper with implementing the selected ERP suite of software. The delivery of the implementation services is based upon a statement of work (SOW) that will extend over a twenty-four (24) month period.

The RFP required implementation services be provided by the selected vendor in partnership with an implementation vendor or by an independent
implementation vendor. This exhibit is for the second component of the RFP; namely, the Implementation Services. These services are integrally tied to the first component as submitted for approval in Exhibit X-C. Oracle’s proposal recommends Greenbrier & Russell as the primary implementation vendor in partnership with Oracle Consulting. After extensive evaluation and with the recommendation of GFOA, Harper favors the partnership between Greenbrier & Russel Inc. and Oracle Consulting. Greenbrier & Russel, Inc. was engaged by Oracle from the onset of the release of the RFP, and Greenbrier & Russel attended Oracle’s product demonstrations and subsequent discovery sessions. Greenbrier & Russel, Inc. will be the primary implementation provider with Oracle Consulting implementing the Student Information System modules.

The result of the negotiations conducted by GFOA and Harper with Greenbrier & Russel, Inc., and Oracle Consulting combined are as follows:

<table>

Payment for services rendered will be approved based on the Statement of Work (SOW) deliverables for each vendor.

This purchase complies with State Statute and Board Policy

V. RECOMMENDATION

The administration recommends that the Board approve entering into contracts for professional services to implement the proposed Enterprise Resource Planning System Software (see Exhibit X-C) and to authorize the Chair of the Board to sign contracts after final review by Harper’s legal counsel with Greenbrier & Russel, Inc., for installation and configuration, data conversion, training, and travel for the Financial and HR systems modules in the amount of $2,359,136 and to Oracle Consulting for installation and configuration, data conversion, training and travel for the Student Information Systems Modules in the amount of $2,021,502 for a total implementation cost of $4,380,638.

II. REASON FOR CONSIDERATION
The Board of Trustees must approve any contracts between the College and outside entities in excess of $10,000.

III. BACKGROUND INFORMATION
The College has been negotiating with Oracle Corporation to purchase specified ERP software over the past months. One of the objectives was to pay for the software modules as they were installed. Oracle’s counter offer was a 19 month interest free payment plan through Oracle Credit Corporation. The College attorney has reviewed the terms of conditions of the agreement and has confirmed that they will be able to offer the required legal opinion when the transaction is complete.

IV. RECOMMENDATION
The administration recommends that the Board approve the attached Municipal Payment Plan, pending final review by the College attorney, the College Bond Counsel and authorize the Chair of the Board of Trustees to sign the agreement.
RESOLUTION AUTHORIZING AND APPROVING
MUNICIPAL PAYMENT PLAN AGREEMENT IN CONNECTION WITH
THE COMPUTER SOFTWARE LICENSE AND SERVICES AGREEMENT
FOR THE BOARD OF TRUSTEES OF
WILLIAM RAINNEY HARPER COMMUNITY COLLEGE DISTRICT NO. 512
COOK COUNTY, ILLINOIS

WHEREAS, it is deemed advisable, necessary and in the best interests of William Rainey Harper Community College District No. 512, Cook County, Illinois (“College”) that a computer software license and services be leased for the College in accordance with the specifications therefore reviewed by the Board of Trustees and on file with the Secretary of the Board; and

WHEREAS, the College has the power to obtain personal property, when authorized by an affirmative vote of 2/3 of the members of the Board of Trustees, by lease with an option to purchase for a period not to exceed five (5) years, pursuant to the provisions of Section 805/3-38 of the Public Community College Act (110 ILCS 805/3-38); and

WHEREAS, Oracle Credit Corporation (“Oracle”) has agreed to lease a computer software license and certain services to the College pursuant to such an agreement on terms which are lawful and acceptable to the Board of Trustees.

NOW, THEREFORE, Be It Resolved by the Board of Trustees of William Rainey Harper Community College District No. 512, Cook County, Illinois, as follows:

Section 1. Incorporation of Preambles. The above preamble recitals are hereby incorporated into the text of this Resolution as if set out herein in full.

Section 2. Authorization of Municipal Payment Plan Agreement. The Board of Trustees hereby finds and determines that it is in the best interests of the College to enter into, and does hereby approve, the Municipal Payment Plan Agreement with Oracle Credit Corporation which was presented to the Board of Trustees at this meeting, a copy of which is attached to this Resolution as Exhibit A and is made a part hereof.

Section 3. Execution of Municipal Payment Plan Agreement. The College President or his designee is hereby authorized and directed to execute the Municipal Payment Plan Agreement and to do all things necessary and essential to effectuate the provisions of said Agreement, including the execution of any documents and certificates incidental thereto or necessary to carry out the provisions thereof.

Section 4. No Conflict of Interest. It is hereby found and determined that no person holding any office of the College, either by election or appointment, is in any manner interested in the Municipal Payment Plan Agreement, either directly or indirectly, in his own name or in the name of any other person, association, trust or corporation.

Section 5. Further Authority. The College President or his designee is hereby authorized and directed to, take such further action, and execute such other documents, certificates and instruments as may be necessary or desirable to carry out and comply with the intent of this Resolution, and to carry out, comply with and perform the duties of the District with respect to the Municipal Payment Plan Agreement.

Section 6. Designation as Qualified Tax-Exempt Obligations. The Board hereby designates the Municipal Payment Plan Agreement as a Qualified Tax-Exempt Obligation pursuant to Section 265(b)(3)(B) of the Internal Revenue Code, and authorizes the College President or his designee to execute appropriate certifications in connection therewith.
Section 7. Repealer and Effective Date. All resolutions or other proceedings in conflict herewith are, to the extent of such conflict, hereby repealed, and that this resolution be effective forthwith upon its adoption.

The question of the adoption of the foregoing Resolution was duly put to a vote, which resulted as follows:

AYES: _____________

BOARD ACTION

I. SUBJECT

April Board Meeting Change of Dates

II. REASON FOR CONSIDERATION

The Board Calendar adopted last year designated April 11, 2005 as the date for the Canvass of the Board Elections and April 19, 2005 as the date for the Organizational Meeting and Regular Board Meeting.

III. BACKGROUND INFORMATION

Since the establishment of the Board Calendar there has been a change in election law that has extended timelines for both the Board Canvass and the Organizational meeting. The law now allows for provisional ballots and gives the counties an extra two weeks to count provisional ballots and report election results. This two week delay in getting election results has caused the change. In the past, the Canvass had to be held within 7 days of the election, that has been changed to within 21 days of the election. The Organizational Meeting needed to be held within 14 days of the election, that is now within 28 days of the election.

IV. RECOMMENDATION

The administration recommends that the Board change its April meeting date for the Election Canvass from April 11, 2005 at 6 p.m. to Thursday, April 21, 2005 at 6 p.m. and to change the Organizational Meeting and Regular Board meeting from April 19, 2005 at 7 p.m. to April 26, 2004 at 7 p.m.
WILLIAM RAINEY HARPER COLLEGE

BOARD ACTION

I. SUBJECT

Affiliation Agreements between clinical agencies and Harper College are used for students in the Health Career Programs. The Affiliation Agreement between Harper College and Central Dupage Hospital for the Cardiac Technology Program is presented for Board review.

II. REASON FOR CONSIDERATION

An Affiliation Agreement is required between Harper College and affiliating agencies to provide for the clinical education of students in health career programs. In an effort to standardize and streamline the entire process related to developing affiliations with the many agencies in our service area the Harper Board approved a Master Affiliation Agreement in July 2003 to be used with all agencies. However, several affiliating agencies have initiated their own clinical affiliation agreement, Central Dupage Hospital, whereby they require Board or appointed designee signature.

III. BACKGROUND INFORMATION

The facilities and educational opportunities available at Central Dupage Hospital are consistent with the clinical objectives of the Harper College Health Career Programs.

IV. RECOMMENDATION

The administration recommends that the Affiliation Agreements between Harper College and Central Dupage Hospital be approved as submitted and authorize the Dean of Life Science and Human Services to sign all of the above.

BOARD ACTION

I. SUBJECT

Resolution to establish a hearing date for the sale of Limited Tax Funding Bonds (BINA Hearing).

II. REASON FOR CONSIDERATION

January 1, 1997 the Bond Issue Notification Act (BINA) became law. This law requires that a public hearing be held prior to the selling of general obligation limited bonds. It also requires 30 days between the Notice of Publication of the hearing and the actual sale date of the Bonds at the February 22, 2005 Board Meeting.

III. BACKGROUND INFORMATION

The College has a bond selling strategy, which utilizes the Debt Service Extension Base available under the tax cap legislation. Debt from prior year bonds sales has been paid down and it is now time to sell between $2,000,000 to $2,500,000 in funding bonds to utilize the available debt service extension base.

IV. RECOMMENDATION

The administration recommends that the attached resolution providing for the establishment of a Funding Bond hearing date of January 25, 2005 and the required public notice be adopted.
MINUTES of a regular public meeting of the Board of Trustees of Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois, held at the Wojcik Conference Center, Room 214-215, William Rainey Harper College, 1200 W. Algonquin Road, Palatine, IL in said Community College District at 7 o’clock P.M., on the 21st day of December, 2004.

The meeting was called to order by the Chairman, and upon the roll being called, ______________________________, the Chairman, and the following Trustees at said location answered present: ______________________________________________________

____________________________________________________________________________

____________________________________________________________________________

The following Trustees were absent: _________________________________________

____________________________________________________________________________

The Chairman announced that the Bond Issue Notification Act requires that a public hearing be called and held in connection with the sale of bonds in the amount of $2,500,000 for the purpose of paying claims against the District and that the Board of Trustees would consider the adoption of a resolution calling such public hearing.

Whereupon Trustee ______________________________ presented and the Secretary read in full a resolution as follows:
RESOLUTION calling a public hearing concerning the intent of the Board of Trustees of Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois, to sell $2,500,000 Limited Tax Funding Bonds.

* * *

WHEREAS, Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois (the “District”), is a duly organized and existing community college district created under the provisions of the laws of the State of Illinois, and is now operating under the provisions of the Public Community College Act of the State of Illinois (the “Act”), and all laws amendatory thereof and supplementary thereto, including the Local Government Debt Reform Act of the State of Illinois, as amended; and

WHEREAS, the Board of Trustees of the District (the “Board”) intends to sell bonds in the amount of $2,500,000 for the purpose of paying claims against the District (the “Bonds”); and

WHEREAS, the Bond Issue Notification Act of the State of Illinois, as amended, requires the Board to hold a public hearing concerning the Board’s intent to sell the Bonds before adopting a resolution providing for the sale of the Bonds:

NOW, THEREFORE, Be It and It Is Hereby Resolved by the Board of Trustees of Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois, as follows:

Section 1. Incorporation of Preambles. The Board hereby finds that all of the recitals contained in the preambles to this Resolution are full, true and correct and does incorporate them into this Resolution by reference.
Section 2. Public Hearing. The Board hereby calls a public hearing to be held at 7 o’clock P.M. on the 25th day of January, 2005, in the Wojcik Conference Center, Room W-214-215, 1200 W. Algonquin Road, Palatine, Illinois, in the District, concerning the Board’s intent to sell the Bonds and to receive public comments regarding the proposal to sell the Bonds (the “Hearing”).

Section 3. Notice. The Secretary of the Board (the “Secretary”) shall (i) publish notice of the Hearing at least once in the Daily Herald, the same being a newspaper of general circulation in the District, not less than 7 nor more than 30 days before the date of the Hearing and (ii) post at least 96 hours before the Hearing a copy of said notice at the principal office of the Board.

Section 4. Form of Notice. Notice of the Hearing shall appear above the name of the Secretary and shall be in substantially the following form:
NOTICE OF PUBLIC HEARING CONCERNING THE INTENT OF
THE BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 512,
COUNTIES OF COOK, KANE, LAKE AND McHENRY AND STATE OF ILLINOIS
TO SELL $2,500,000 LIMITED TAX FUNDING BONDS

PUBLIC NOTICE IS HEREBY GIVEN that Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois (the “District”), will hold a public hearing on the 25th day of January, 2005, at 7 o’clock P.M. The hearing will be held in the Wojcik Conference Center, Room W-214-215 at William Rainey Harper College, 1200 W. Algonquin Road, Palatine, Illinois. The purpose of the hearing will be to receive public comments on the proposal to sell bonds of the District in the amount of $2,500,000 for the purpose of paying claims against the District.

By order of the Board of Trustees of Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois.

DATED the 21st day of December, 2004.

_______________________________________
Secretary, Board of Trustees, Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois
Section 5. Hearing Requirements. At the Hearing, the Board shall explain the reasons for the proposed bond issue and permit persons desiring to be heard an opportunity to present written or oral testimony within reasonable time limits. The Board shall not adopt a resolution selling the Bonds for a period of seven (7) days after the final adjournment of the Hearing.

Section 6. Severability. If any section, paragraph, clause or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this Resolution.

Section 7. Repeal. All resolutions and parts thereof in conflict herewith be and the same are hereby repealed and this Resolution shall be in full force and effect forthwith upon its adoption.

I. SUBJECT

Resolution to Establish Claims Against the District

II. REASON FOR CONSIDERATION

The prior exhibit established a Bond Issue Notification Act hearing date, so that the College could sell funding bonds under the available Debt Extension Service base. Another requirement for the selling of a funding bond is that the District has debt as defined by law related to these bond sales.

III. BACKGROUND INFORMATION

In earlier exhibits the Board approved the contracts with Oracle and Greenbriar and Russell for the purchase and implementation of the ERP system. The Board has approved a Municipal Payment Plan Agreement for the Oracle software acquisition. This agreement was reviewed by bond counsel and he has judged that it meets the qualifications of debt under the bond laws. This resolution establishes the Municipal Payment Plan Agreement and three purchase orders for third party software as the debt for this bond sale.

IV. RECOMMENDATION

The administration recommends the Board adopt the attached resolution as prepared by bond counsel to establish claims against the district.
The meeting was called to order by the Chairman and upon the roll being called, ________________, the Chairman, and the following Trustees at said location answered present: __________________________________________________________

_______________________________________________________________

_______________________________________________________________

The following Trustees were absent: __________________________________

The Chairman announced that in view of the financial condition of the District, the Board of Trustees would consider the adoption of a resolution setting forth and describing in detail outstanding claims against the District, declaring its intention to issue funding bonds to pay said claims against the District and directing that notice of such intent be published.

Whereupon Trustee ________________ introduced and the Secretary read in full a resolution as follows:
RESOLUTION setting forth and describing in detail claims heretofore authorized and allowed for proper community college purposes which are presently outstanding and unpaid, declaring the intention to avail of the provisions of Article 3A of the Public Community College Act of the State of Illinois, and to issue bonds for the purpose of funding and paying claims against Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois, and directing that notice of such intention be published as provided by law.

* * * * *

WHEREAS, pursuant to the provisions of Article 3A of the Public Community College Act of the State of Illinois, as amended (the “Act”), Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois (the “District”), is authorized to issue bonds (the “Bonds”) to fund and pay claims against the District (the “Claims”); and

WHEREAS, the District has presently outstanding and unpaid Claims in the aggregate amount of not less than $2,500,000, all of the Claims having been heretofore authorized and allowed for proper community college purposes; and

WHEREAS, there are not sufficient funds on hand and available with which to pay the Claims, and the Board of Trustees of the District (the “Board”) has determined and does hereby determine that it is necessary and in the best interests of the District that the Claims be funded and paid from proceeds of the Bonds in the principal amount of $2,500,000; and

WHEREAS, before the Bonds can be issued pursuant to the Act, the Board must examine and consider the Claims and must adopt a resolution declaring the Claims to be authorized and allowed for proper community college purposes, set forth and describe in detail the Claims, declare its intention to issue the Bonds for the purpose of paying the Claims and direct that notice of such intention to issue the Bonds be given as provided by law; and

WHEREAS, the Board has examined and considered the Claims:
NOW, THEREFORE, Be It and It Is Hereby Resolved by the Board of Trustees of Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois, as follows:

Section 1. Incorporation of Preambles. The Board hereby finds that all of the recitals contained in the preambles to this Resolution are full, true and correct and does incorporate them into this Resolution by this reference.

Section 2. The Claims. The Claims are set forth and described in detail as follows:

<td>$ 11,250.00</td>
</tr>
</tbody>
</table>

and it is hereby found, determined and declared that the Claims are presently outstanding and unpaid, were heretofore authorized and allowed for proper community college purposes and constitute valid and binding unpaid obligations of the District.

Section 3. Declaration of Intent. The Board does hereby determine and declare its intention to avail of the provisions of Article 3A of the Act and to issue the Bonds in the amount of $2,500,000 for the purpose of paying the Claims.

Section 4. Notice of Intent. In accordance with the provisions of Section 5 of the Local Government Debt Reform Act of the State of Illinois, as amended, notice of said intention to avail of the provisions of Article 3A of the Act and to issue the Bonds for the purpose of paying the Claims shall be given by publication of such notice once in the Daily Herald, the same being a newspaper of general circulation in the District.

Section 5. Form of Notice. The notice of intention to issue the Bonds shall be in substantially the following form:
NOTICE OF INTENTION OF
COMMUNITY COLLEGE DISTRICT NO. 512,
COUNTIES OF COOK, KANE, LAKE AND MCHENRY AND STATE OF ILLINOIS,
to Issue $2,500,000 Funding Bonds

PUBLIC NOTICE is hereby given that on the 21st day of December, 2004, the Board of Trustees (the “Board”) of Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois (the “District”), did adopt a resolution declaring its intention and determination to issue bonds in the aggregate amount of $2,500,000 for the purpose of paying presently outstanding and unpaid claims against the District, all of which unpaid claims have been heretofore authorized and allowed for proper community college purposes and it is the intention of the Board to avail of the provisions of Article 3A (Sections 3A-6 to 3A-9, inclusive) of the Public Community College Act of the State of Illinois, and all laws amendatory thereof and supplementary thereto, and to issue said bonds for the purpose of funding and paying said unpaid claims.

A petition may be filed with the Secretary of the Board within thirty (30) days after the date of publication of this notice signed by not less than 28,064 voters of the District, said number of voters being equal to ten percent (10%) of the registered voters of the District, requesting that the proposition to issue said bonds be submitted to the voters of the District. If such petition is filed with the Secretary of the Board within thirty (30) days after the date of publication of this notice and not later than the 18th day of January, 2005, an election on the proposition to issue said bonds shall be held on the 5th day of April, 2005. If such petition is filed with said Secretary of said Board of Education within said thirty (30) day period, but after the 18th day of January, 2005, an election on the proposition to issue said bonds shall be held on the 21st day of March, 2006. The Circuit Court may declare that an emergency referendum should be held prior to either of said election dates pursuant to the provisions of Section 2A-1.4 of the Election Code of the State of Illinois, as amended. If no such petition is filed within said
thirty (30) day period, then the District shall thereafter be authorized to issue said bonds for the purpose hereinabove provided.

By order of the Board of Trustees of Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois.

DATED this 21st day of December, 2004.

Secretary, Board of Trustees, Community College District No. 512, Counties of Cook, Kane, Lake and McHenry and State of Illinois

Note to Publisher: Please be certain that this notice appears over the names of the Chairman and Secretary of the Board.
Section 6. Further Proceedings. If no petition signed by the requisite number of voters is filed with the Secretary of the Board within thirty (30) days after publication of said notice of intention to issue the Bonds, the Board shall, by appropriate proceedings to be hereafter taken, fix the details concerning the issuance of the Bonds and provide for the levy of a tax to pay principal and interest on the same.

Section 7. Severability. If any section, paragraph, clause or provision of this Resolution shall be held invalid, the invalidity of such section, paragraph, clause or provision shall not affect any of the other provisions of this Resolution.

Section 8. Repealer and Effective Date. All resolutions or parts of resolutions in conflict herewith be and the same are hereby repealed, and this Resolution shall be in full force and effect forthwith upon its adoption.
