STUDENT TRUSTEE REPORT

Student Member Borro stated that it has been an honor and a privilege to serve as Harper College Student Trustee during the last school year. He was very fortunate to gain a deeper understanding of all aspects of Harper College and see the positive impact Harper has on student development. He highlighted several events that enrich the quality of student life at Harper College.

On May 22, they will host a graduation ceremony at Rosemont Theatre. During the 2008 commencement, four distinguished alumni (one from each decade) will be honored for their contributions to their field and community. On May 16, approximately 200 students and their guests will watch as 80 students receive Student Service Awards at the Awards Ceremony. These are the finest student leaders among the 1,500 students who are involved in clubs and organizations each year. It is a thrill to have so many students actively involved on campus.

The Student Senate presented a class gift in four different areas: banners to honor Harper athletes; a Harper Hawk to be placed above the fireplace in the Student Center; books purchased and donated for more students to complete their GEDs; and books on leadership donated to the library.

Student Member Borro announced that the Harbinger had two students receive journalistic awards in the Illinois Community College (ICC) Journalism Association Spring Conference, which was hosted by Harold Washington College in Chicago. Bob Kastner, Associate Editor, took first place, and Brittany Burzawa took second place in the Division 1 News category.

As part of the College’s annual Wellness Week, April 15-18, consumer advocate and Independent presidential candidate Ralph Nader gave a keynote on Careless Healthcare to a sold-out audience of almost 500 people. Michael Moore’s movie Sicko was presented twice. During Wellness Week, Harper also hosted its first Spring Job Fair, which is a great way for students to have access to internships and job opportunities.

There were many cultural events celebrating Harper’s 40th anniversary. The Alumni Recital was held April 5, featuring various alumni performing a wide variety of musical styles
from classical to heavy metal. The performances were incredible. It was a real celebration of Harper’s music
department and Cultural Arts program.

The Harper Pride Club is hosting a Day of Silence Speak Out, Wednesday, April 23 at 1:00 p.m. in the Quad to speak out on behalf of the lesbian, gay, bisexual and transgendered (LGBT) community. The open mic event will provide an opportunity to use voices as an ally to the LGBT community. Harper hosted a Latino Junior/Senior Summit, which featured members of the Harper College Latinos Unidos group, and attracted approximately 300 Latino high school students.

The Student Trustee and Student Senate elections were a huge success, with a 45 percent increase in voter turnout from last year. They are looking to implement online voting soon through the new Student Portal in an effort to further increase voter turnout next year. The following students were elected: Alaine Garcia, Student Trustee; Miguel Hernandez, Student Senate President and Talitha Baer, Student Senate Vice President.

Student Member Borro stated that he will be forever grateful for having the opportunity to serve Harper College. He would not have had such a successful year without the guidance, assistance and friendship from so many people in the College community. He thanked members of the Board, administration, faculty, staff and students at Harper College. He personally thanked Joan Kindle and Michael Nejman for their guidance and feedback every month. Working with the members of the Harper College Board of Trustees has positively impacted his life; they continue to set a great example. As he stepped down as Student Trustee, Carlos Borro introduced Alaine Garcia, newly elected Student Trustee for the 2008-2009 school year.

Chair Stone welcomed Alaine Garcia and invited her to join the Board at the table.

Chair Stone read a Resolution honoring Carlos Borro for his service to Harper College as Student Trustee. Among many other duties, Mr. Borro participated in the Higher Learning Commission Reaccreditation process, initiated the introduction of many outstanding students to the Board and was involved in many committees, including the Textbook Advisory Committee, the Voter Registration Committee, Student Elections Committee and the Paralegal Advisory
Committee. He also attended numerous meetings of student clubs, such as Latinos Unidos, Phi Theta Kappa National Honors Society, Environmental Club and Excel Leadership meetings. He represented Harper College at the Regional Budget Hearing at the Schaumburg Prairie Arts Theater in March 2008, where he spoke on behalf of Harper College regarding the State’s decline in funding. He also represented Harper at the Illinois Community College Board (ICCB) Student Advisory Committee meetings, the ICCB Student Leadership Institute, the Illinois Community College Student Activities Association (ICCSAA) Conference in Springfield and the National Legislative Summit in Washington, DC. On behalf of the Harper College Board of Trustees, the College community and the citizens of District #512, Chair Stone expressed appreciation for the dedication, loyalty and service given by Carlos Borro and presented him with a framed copy of the Resolution.

Photographs of the Board of Trustees and Carlos Borro were taken.

On behalf of the Board, Chair Stone welcomed Alaine Garcia. She noted that they look forward to getting to know her and working with her over the next few months.

<td>Foundation Report</td>
<td>Member Canning stated that over 1,000 people (including retirees, donors, alumni, students and staff) attended the Arts Festival events sponsored by the Foundation with many of the College Departments. The very successful final event Tango Fantastico was sold out. The Harper Heritage Society Appreciation Dinner will be held on May 2 at 6:00 pm in the Wojcik Conference Center Dining Room. This is a great opportunity for the leadership of the College to show their appreciation - 23 families have collectively provided nearly $5 million in their estate plans or wills for Harper College endowment, providing student scholarships and academic programs.</td>

<tr>
<td>Legislative Report</td>
<td>Phil Burdick gave a brief legislative update regarding HB 1434. After much effort working with various State legislators, they were able to pry Harper’s bachelor’s degree Bill out of the Senate Rules Committee. Most likely next week it will be moved to the Senate State Government and Veterans Affairs Committee. This is a very important move for the Bill, because 1) those who oppose it wanted to keep it in Rules for the rest of the session, and thereby kill the Bill; 2) their other strategy was to move the Bill from the Rules to the Higher Education Committee, and they would kill the Bill. The fact that they were able to move it from Rules into a favorable committee means that this is probably the best chance they have ever had of getting the Bill onto the Senate floor - hopefully within the next couple weeks of May. Assistant Vice President Burdick stated that Senator Dan Kotowski is tenacious. He worked far and above what most lawmakers do for Bills, and he had a lot of opposition. They kept throwing obstacles at him to try to keep the Bill bottled</td>

up, but he overcame those. Harper owes him a great deal of respect and thanks for working this Bill and getting it moving again. They are cautiously optimistic about the Committee. With Senator Kotowski’s help, they think they will have enough votes to at least pass the Committee, get it onto the Senate floor and continue the battle there. They are very pleased with the progress made this week.

Chair Stone thanked everyone. She stated that it is quite an honor to serve as Chair of the Board. It is a position she takes very seriously, and believes it is one of the most important things she has done in her life – not because of the position, but because of the opportunity to serve the institution and the community members who depend on the institution. She appreciates the faith her colleagues have put in her to continue in this role.

Communications

There were no communications.

Calendar Dates

Calendar dates are printed on the Agenda for Board information. Chair Stone encouraged Board members to attend the Arlington Heights Community Night on April 29. She asked them to communicate with Carol Blotteaux. The next Board meeting will be May 20. Graduation and Convocation will be May 22 at Rosemont Theatre. June 2 is the Educational Foundation’s Annual Golf Open.

**OTHER BUSINESS**

Student Trustee Alaine Garcia addressed the Board. She noted that it is a great honor to have been elected by her peers. After meeting Victoria McClellan, President of the Student Senate in Fall 2007, she began to get involved with student government. Since that time, Student Member Garcia has become a campus leader, has built a network of great contacts at Harper and has 202 voting friends and counting. After working with students, she has come to realize that all of them, despite their differences in appearances, are sharing the same dream – they are here to learn. They have all chosen Harper to go forward with that dream. No matter what orientation, gender or race, a student’s success at Harper is only limited by their ability to dream.

Student Member Garcia stated that this year’s Student Senate will be a unified student government, working to encourage students to become leaders, register to vote, join a club, live healthier, be objective and listen to all views. The love of learning brings many commuters together – whether they are lifelong learners, continuing education
students or first year students just discovering their own identity. Each has their own Harper story to tell. It is this diversity that makes the heart of Harper campus come alive. During her term as Student Trustee, Student Member Garcia intends to recognize and honor diversity and to report the success stories and needs and concerns of the student programs that aid in their success. She intends to seek community leaders who are willing to sponsor a club or organization in the Center for Multicultural Learning. Together they will continue in the tradition of respect, integrity, community and excellence. She thanked many people for their encouragement.

Chair Stone stated that it will be a pleasure working with Student Member Garcia.

Chair Stone noted that she and Member Kelley had the distinct pleasure of having breakfast with David Richmond, Tom Dowd and Dr. Breuder. She looks forward to continued dialogue.

**ADJOURNMENT**

Member Graft moved, Student Member Garcia seconded, to adjourn the meeting.

In a voice vote, the motion carried at 7:45 p.m.
