Foundation Report Member Canning called attention to the Annual Report from the Foundation, Exhibit IX-B.3. She noted that the Foundation is a tremendous asset to Harper College. They have raised a great deal of money this year and have brought the College out into the community. She encouraged Board members to read through the report.

Chair Stone stated that the Board will find a way to make a formal statement of appreciation to the Foundation. Dr. Breuder added that, when Rita Canning speaks about Harper College and the Foundation, she speaks from the heart. In the last week, John and Rita Canning affirmed their commitment to Harper College by making a contribution of $500,000. Chair Stone noted that it is very much appreciated.

ICCTA Member Borro noted that, at the ICCTA meeting in June, certificates of merit were presented to persons who have made significant contributions to the ICCTA, the Illinois system or an individual member College. Patrick Botterman received the posthumous certificate of merit award. His mother and two brothers were present to receive the award, which was presented by Member Kelley. Member Borro also noted that Bill Kelley received recognition for his leadership as a nominating committee chair for the ICCTA. He thanked Member Kelley for his dedication. Chair Stone congratulated Member Kelley.

NEW BUSINESS:
Affiliation Agreements with Clinical Agencies

*Member Graft moved, Member Canning seconded,* approval of the list of affiliating clinical agencies for fiscal year 2008-2009, as outlined in Exhibit X-A (attached to the minutes in the Board of Trustees' Official Book of Minutes).

In a voice vote, the motion carried.

*Member Graft moved, Member Kelley seconded,* acceptance of the preliminary budget as presented and authorization for the administration to begin spending from the budget as presented, as outlined in Exhibit X-B (attached to the minutes in the Board of Trustees' Official Book of Minutes).

Chair Stone noted that this is in keeping with the requirements under State law that the Board receives the preliminary budget for review. A budget hearing will be held and the budget will be voted on September 18. This will give the Board ample time to consider the budget as a whole.

She encouraged Board members to read through the preliminary budget and the memo from Dr. Breuder.

In a voice vote, the motion carried.

Resolution to Establish the 2008-09 Budget Hearing Date

*Member Canning moved, Member Graft seconded,* adoption of the resolution providing for the annual Budget Hearing and the required public notice, as outlined in Exhibit X-C (attached to the minutes in the Board of Trustees' Official Book of Minutes).

In a voice vote, the motion carried.

Additionally, approval of the dollars set aside in the various funds to provide the necessary match, as outlined in Exhibit X-D (attached to the minutes in the Board of Trustees' Official Book of Minutes).

Chair Stone explained that this is a planning document that is required annually by the Illinois Community College Board and the Illinois Board of Higher Education. It is the basis for request to the legislature for capital funding.

In a voice vote, the motion carried.
Member Hoffman thanked the administration for giving the Board of Trustees the opportunity to weigh in on the document and for taking the Board’s recommendations into consideration.

Member Borro moved, Member Canning seconded, to award bid request Q00577 for the removal and replacement of existing roofing systems for Buildings A, K, L and P to G.E. Riddiford Company, the low bidder, in the amount of $1,102,760, for architects fees of $90,978, a 10 percent contingency of $110,276 and for reimbursables of $2,000, for a total award of $1,306,014, as outlined in Exhibit X-E (attached to the minutes in the Board of Trustees' Official Book of Minutes).

Member Borro stated that he is pleased that the roofing system is being replaced with a white sustainable design roof. This will save the College money over the long-term. In response to his question regarding payback, Campus Architect Steve Petersen explained that, when they put the roofing package together, an alternate for the sustainable roof design was included. It came in at approximately $25,000. Jim Ma then looked at the payback with regard to energy-cost, and determined that it would be approximately six months payback. Chair Stone added that the Board appreciates this very much.

In a voice vote, the motion carried.

Member Canning moved, Member Kelley seconded, to award bid request Q00578 for renovations of stairs and entrances and pavement replacement to Kovilic Construction Company, Inc., the low bidder, in the amount of $732,365, for architect’s fees of $39,547, a 10 percent contingency of $73,237 and reimbursables of $1,000, for a total award of $846,149, as outlined in Exhibit X-F (attached to the minutes in the Board of Trustees' Official Book of Minutes).
