Award-winning film focused on Human Rights, Genocide and stories of Recovery
The Last Survivor is an award-winning, documentary film that presents the stories of four Survivors and their struggle to make sense of tragedy by working to educate a new generation, inspire tolerance and spark a civic response to mass atrocity crimes. Following the loves of survivors of four different genocides and mass atrocities – The Holocaust, Rwanda, Darfur, and Congo – The Last Survivor presents a unique opportunity to learn from the lessons and mistakes of our past in order to have a lasting social impact on how we act collectively in the face of similar issues which still exist today.

The LAST SURVIVOR program is sponsored by the Harper College Human Services Program, the HMS Student Club and International Studies Program of Harper College. For more information about the film, go to www.thelastsurvivor.com.
