Faculty Development Grants for Internationalization

Student Scholarships for Study Abroad
**Overview**

This Harper-based funding opportunity is available through a Resources for Excellence Grant awarded to International Studies and Programs by the Harper College Educational Foundation.

The funding is aimed at increasing the number of students particularly from traditionally under-represented groups, participating in study abroad programs and to provide monies for faculty pursuing professional development opportunities in international education.

Each applicant will submit an application form and supporting documents as specified in the application package available on the ISP website.

The applications shall be sent by the announced deadline to the International Studies and Programs Coordinator, Richard Johnson, in one digital copy by email and one hard copy. Applications received after the deadline will not be considered.
